### Section C. Review eligibility requirements specified by law for this purchase.

You may be **eligible to purchase** service credit for period(s) of employment with a non-participating local unit in accordance with G.S. 128-26.5(a)(7) if you **meet the following requirements:**

1. Your employer was eligible to participate, but did not participate, in LGERS during this period of employment.
2. You performed work on a schedule that regularly required at least 1,000 hours of work per year.
3. You do not already have credit for this period in LGERS, and this period was not a waiting period (see Form 470).

Deliver this form to the employer that paid you during your period(s) of employment with a non-participating local unit to complete Section E.

### Section E. Employer, verify the employee's period(s) of employment with a Non-Participating Local Unit.

Provide the employee's period(s) of temporary employment and verify the start and end date of the period(s) that meets the requirements. (A start date is not necessarily a hire date, and an end date is not necessarily a termination date.)

- For **retirement service type**, report the total of all months during the retirement service period. Certain community college, school system, and university employees have retirement service periods that are less than 12 months annually. For example, a teacher with a retirement service period beginning in August and ending in June is an 11 month retirement service type employee.
- For **retirement service period**, report the actual beginning month and ending month of the employee's regular term of annual employment.
